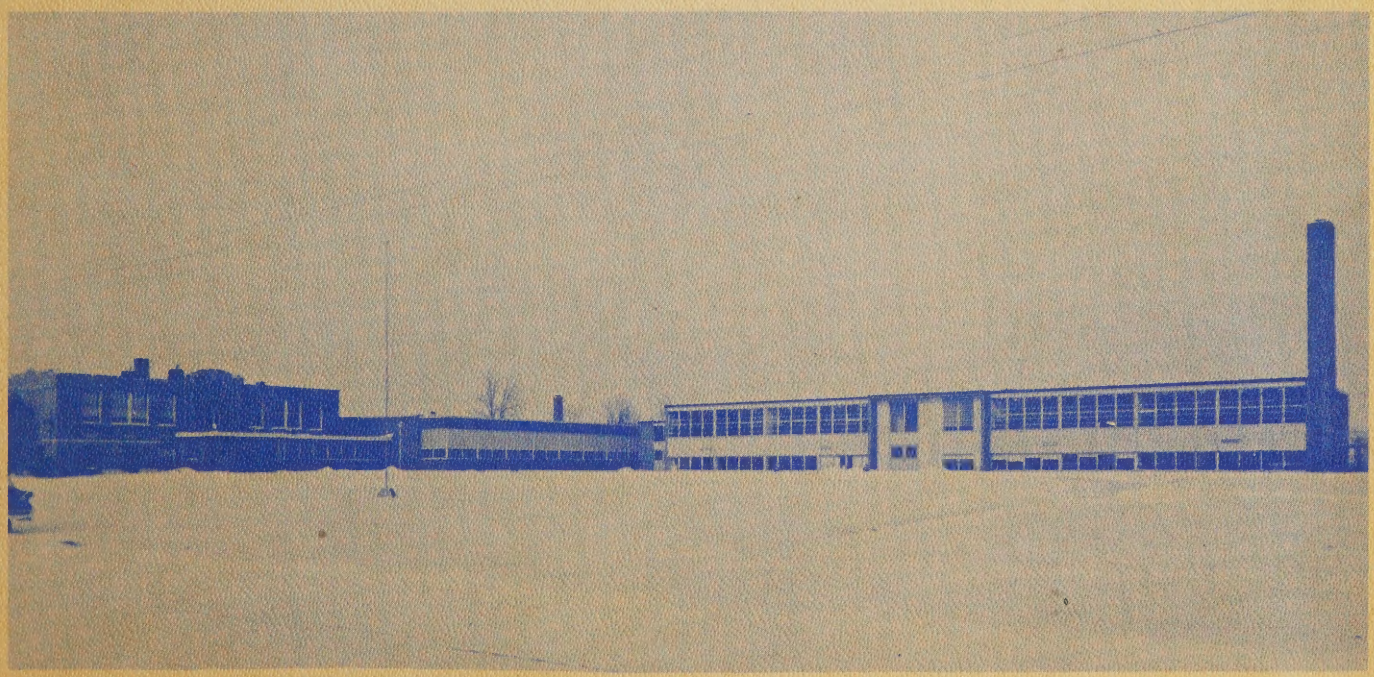
WASHINGTON TOWNSHIP ANNUAL



WASHINGTON TOWNSHIP ANNUAL
1959

This yearbook is dedicated to many people, the community, school personnel, and the students, particularly those who are leaving Washington Township School. Fort Wayne.Community School plans indicate this to be the last year for junior high students to be in attendance here. In presenting this yearbook appreciation is expressed to those who have had a part in providing educational opportunities for the boys and girls of this school.

This yearbook is dedicated to the future and the hopes which lie with students who have attended our school. We hope this yearbook in years to come affords pleasant memories of hours spent in Washington Township School.

To all who have had a part in presenting this yearbook, our congratulations on a job well done.
